

International transfers made easy

THE
NeXT
GENERATION

Your fast and best route to a prestigious international degree

Let us help you make the right choice of university and course of study. There are thousands of universities all over the world. It is hard to select the best that is most suited to what you want to achieve in creating the right career pathway. We specialize in connecting students to the right

universities that will give them the best degrees.

Come talk to us and we will be able to guide you to the right university. Then once you have made your choice we will provide a smooth transfer of your credits to the university of your choice.

Hassle-free transfer process

Through our close relationship with our partner universities, we are able to provide you with lots of information on what to expect so you can be fully prepared for your trip. We will also brief you on procedures, which differ from country to country and university to university.

- University applications
- Visa processing

- Accommodation booking
- Flight booking
- Pre-Departure briefing
- Arrival and airport pick-up

We also organize industry preparation workshops for graduating students in collaboration with industry specialists to prepare graduates for the demands of the workplace.
